# AURES®

# OCD 300
## Customer Graphic Display Unit

## A compact, contemporary designed customer display unit

The clean and compact contemporary design of the **OCD 300** customer display unit is in perfect harmony with the spirit of AURES till systems.

Fitting any sales counter, the peripheral can be tilted (0°- 90°), making it very adaptable and saving essential space.

Its multilingual high-quality graphic display (*LED backlighting – two 20-character display lines*) is an advantage.

It has a single, integrated USB cable for both power supply and data transmission.

+ Compact till point design
+ 90° tilt angle
+ High-quality, extremely bright, multilingual graphic display
+ Single USB cable for data transmission and power supply
+ ESC/POS compatible
+ Serial port emulation
