Sedona ALM 2015

Toate drepturile rezervate.

Sigla Sedona ALM si continutul acestui document sunt proprietatea Sedona ALM

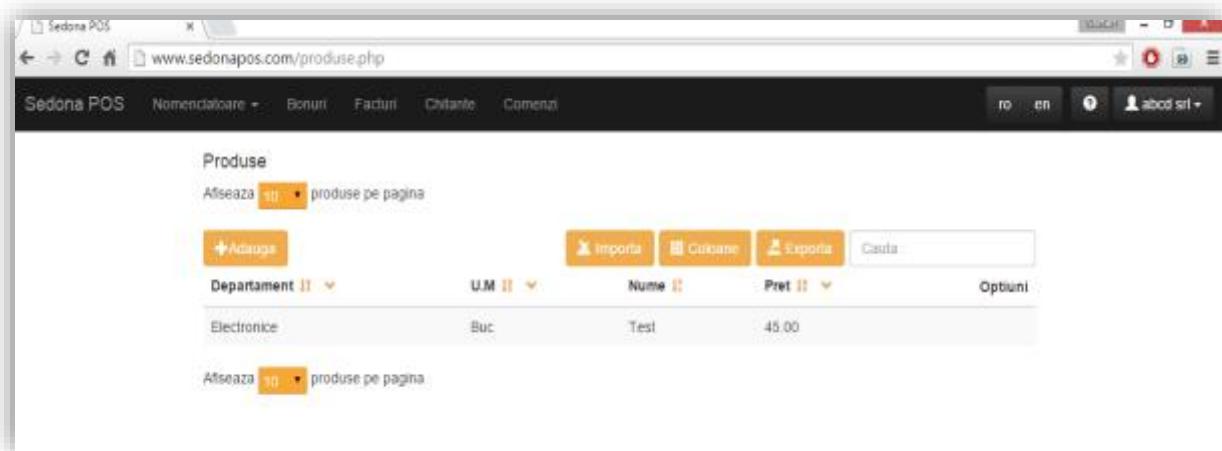

In acesta sectiune a interfetei de control a aplicatiei se poate adauga sau modifica numarul si tipul departamentelor din lista de vanzare.

The screenshot shows the 'Departamente' (Departments) section of the Sedona POS application. At the top, there is a navigation bar with links for 'Nomenclatorare', 'Bonuri', 'Facturi', 'Clientele', and 'Comenzi'. Below the navigation bar, there are language selection buttons ('ro', 'en') and a user account icon ('abcd srl'). The main area is titled 'Departamente' and features a dropdown menu 'Afiseaza 10 dep.' and a search bar 'Caută:'. There are buttons for 'Exporta' (Export) and 'Optiuni' (Options). A large button '+Adauga' (Add) is prominently displayed. Below these controls, a table lists departments with their names and icons. One row is shown in detail: 'Electronice' with an icon of a television set. At the bottom of the list, another dropdown menu 'Afiseaza 10 dep.' and a 'Modificare ordine' (Change order) button are present.

Folosind pictogramele menite sa usureze lucru cu departamentele puteti crea liste specific.

The screenshot shows the 'Adaugare departament' (Add department) dialog box. The title bar says 'Adaugare departament'. Inside, there is a form with fields for 'Nume departament:' (Name department:), 'Imagine:' (Icon:), and 'Editabil:' (Editable:). The 'Nume departament:' field contains 'Bauturi'. The 'Imagine:' field shows a grid of pictograms representing various categories like food, drink, and electronics. The 'Editabil:' field has 'NU' selected. At the bottom of the dialog are two buttons: a red '× Renunță' (Cancel) button and a green '✓ Salvează' (Save) button.

In aceasta sectiune a interfetei de control puteti adauga, sterge sau modifica toate produsele din baza dumneavoastră de date.

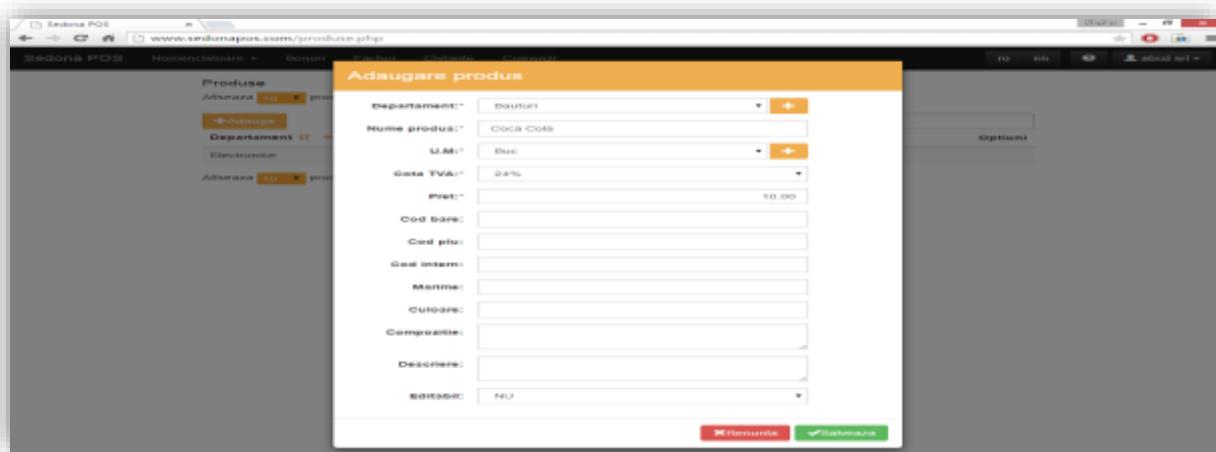

The screenshot shows the 'Produse' (Products) screen of the Sedona POS software. At the top, there are navigation links: Nomenclator, Bonuri, Facturi, Chitante, Comenzi, and language switches (ro, en). Below the header is a search bar with placeholder text 'Afiseaza [] produse pe pagina'. A large orange 'Adauga' (Add) button is prominently displayed. The main area contains a table with the following data:

Departament	U.M.	Nume	Pret
Electronice	Buc	Test	45.00

Below the table is another search bar with placeholder text 'Afiseaza [] produse pe pagina'.

Interfata de adaugare produs va permite selectarea departamentului, a unitatii de masura, a cotei TVA, etc. - vezi poza.

The screenshot shows the 'Adaugare produs' (Add Product) dialog box. The form fields are as follows:

- Departament: Bauturi
- Nume produs: Coca-Cola
- U.M.: Buc
- Data TVA: 0.4%
- Pret: 10.00
- Cod banc:
- Cod ptin:
- Gara interna:
- Marime:
- Culoare:
- Compatibil:
- Descriere:
- Stoc: 142

At the bottom of the dialog are two buttons: 'Cautare' (Search) and 'Salveaza' (Save).

In aceasta sectiune a interfetei de control puteti adauga, sterge sau modifica unitatile de masura.

The screenshot shows the 'Unitati masura' (Measurement Units) section of the Sedona POS software. The main area lists measurement units, with 'Buc' currently selected. There are buttons for adding new units ('+Adauga') and exporting data ('Exporta'). A search bar ('Cauta') and language selection ('ro en') are also present.

Interfata de adaugare unitate de masura va permite adaugarea unitatilor de masura (bucata, kg, litru, etc) necesare operarii tranzactiilor.

A modal dialog box titled 'Adaugare unitate de masura' (Add Measurement Unit) is displayed. It contains fields for 'Nume U.M.' (Name) and 'Editabil' (Editable), with a dropdown menu showing 'NU'. At the bottom are 'Renunta' (Cancel) and 'Saveaza' (Save) buttons.

In aceasta sectiune a interfetei de control puteti adauga, sterge sau modifica seriile documentelor.

The screenshot shows the 'Serii documente' (Document Series) section of the Sedona POS software. It lists series based on user email, type, name, current status, and stop status. There are buttons for adding new series ('+Adauga') and exporting data ('Exporta'). A search bar ('Cauta') and language selection ('ro en') are also present.

Interfata de adaugare serie document va permite adaugarea unor noi reguli de emitere a documentelor(tip, numar serie, numar curent) necesare operarii tranzactiilor.

Interfata de adaugare operator va permite adaugarea unor noi operatori ai aplicatiei, completand datele acestora de identificare si atribuindu-le un PIN de autentificare. In aceasta sectiune a interfetei de control puteti adauga, sterge sau modifica profilele aplicatiei.

The screenshot shows a web-based application window titled "Sedona POS". The main menu at the top includes "Nomenclatoare", "Bonuri", "Facturi", "Chitante", and "Comenzi". On the left, there's a sidebar with "Operatori" and a list showing "Afiseaza 10 opere" and "Stefan". A central modal dialog box is open with the title "Adaugare operator". It contains the following fields:

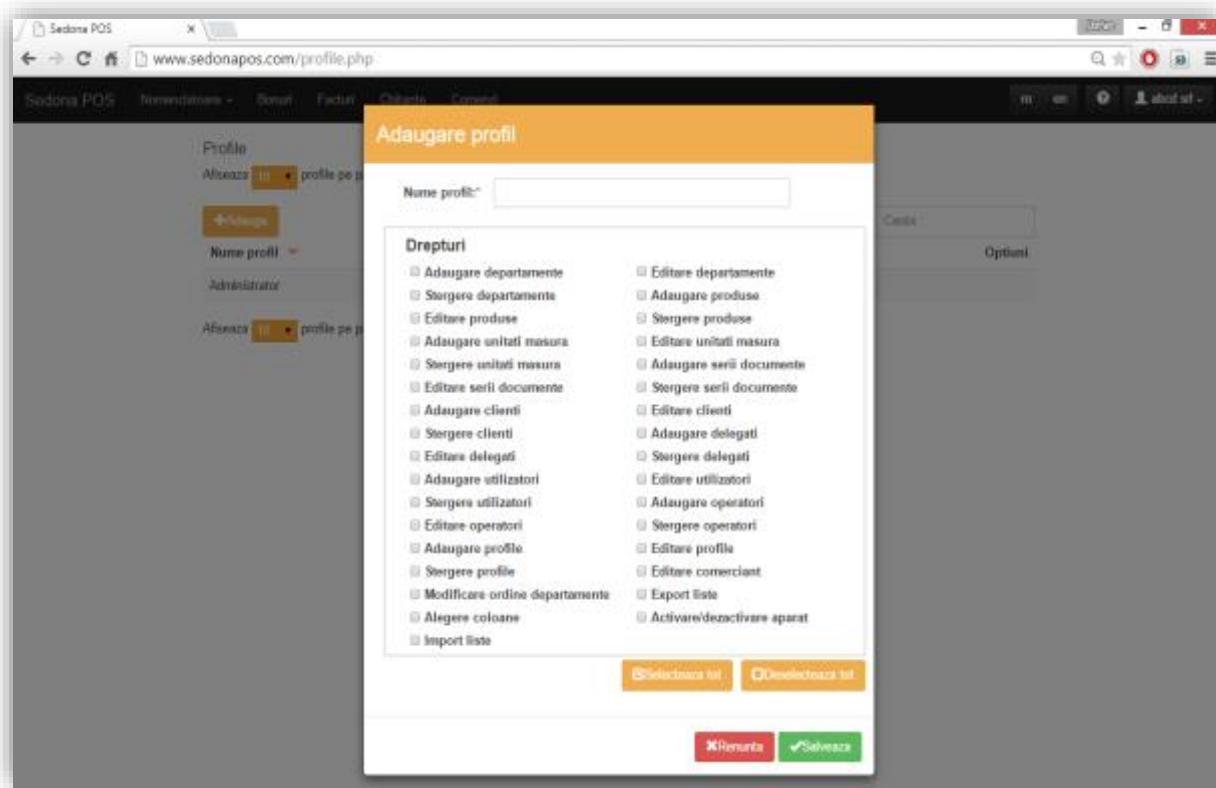

- E-mail utilizator: stefan.voinica91@gmail.com
- Nume operator: Vasile Vasile
- CNP: 1234561234123
- PIN(min. 4 numere): ****
- Editabil: NU

At the bottom of the dialog are two buttons: "Renunta" (Red Cancel) and "Salveaza" (Save).

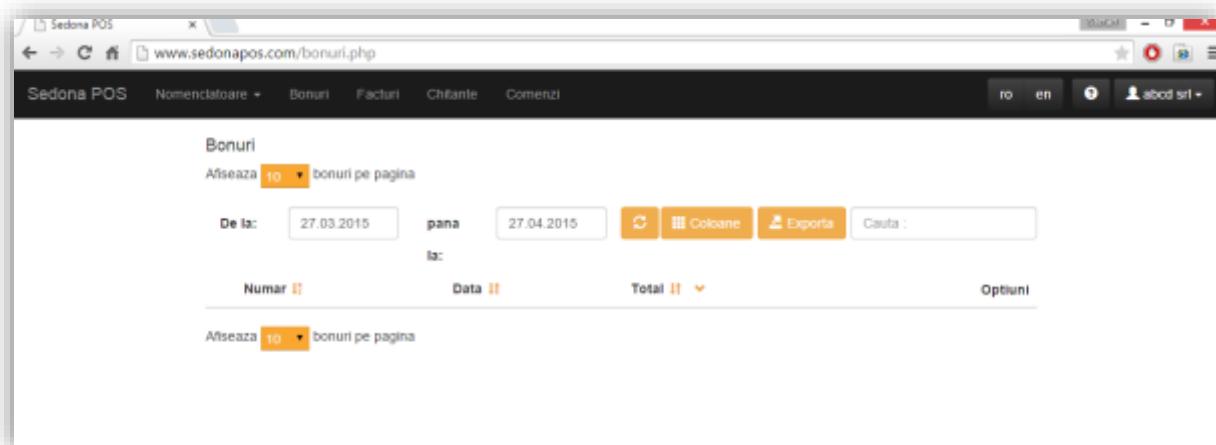

Interfata de adaugare profil va permite adaugarea unor noi drepturi, in functie de tipul utilizatorului si gradul de acces pe care doriti ca acesta sa il detina.

The screenshot shows a web-based application window titled "Sedona POS". The main menu at the top includes "Nomenclatoare", "Bonuri", "Facturi", "Chitante", and "Comenzi". On the left, there's a sidebar with "Profile" and a list showing "Afiseaza 10 profile pe pagina" and "Administrator". A central search bar has the placeholder "Cauta: ". At the bottom of the sidebar, it says "Afiseaza 10 profile pe pagina".

Puteti acorda/restrictiona drepturi legate de: adaugare departamente, editare produse, adaugare unitati de masura, editare serii documente, stergere clienti, editare operatori, import liste, export liste, etc.

In aceasta sectiune a interfetei de control puteti viziona si exporta bonurile emise in functie de perioada dorita.

In aceasta sectiune a interfetei de control puteti viziona si exporta facturile emise in functie de perioada dorita.

The screenshot shows the 'Facturi' (Invoices) section of the Sedona POS software. The URL in the browser is www.sedonapos.com/facturi.php. The interface includes a top navigation bar with links for 'Sedona POS', 'Nomenclatoare', 'Bonuri', 'Facturi', 'Chitante', and 'Comenzi'. On the right side of the top bar are language ('ro en'), user ('abcd srl'), and other settings icons. Below the navigation is a search bar with placeholder 'Caută:' and several orange-colored filter and export icons. The main area has a title 'Facturi' and a dropdown 'Afiseaza 10 facturi pe pagina'. It features date range filters ('De la: 27.03.2015 pana 27.04.2015'), sorting options ('Serie', 'Numar', 'Data', 'Total'), and an 'Optiuni' (Options) button. At the bottom is another 'Afiseaza 10 facturi pe pagina' dropdown.

In aceasta sectiune a interfetei de control puteti viziona si exporta chitantele emise in functie de perioada dorita.

The screenshot shows the 'Chitante' (Invoices) section of the Sedona POS software. The URL in the browser is www.sedonapos.com/chitante.php. The interface is identical to the 'Facturi' section, with the same top navigation bar, search bar, and filter options. The main area has a title 'Chitante' and a dropdown 'Afiseaza 10 chitante pe pagina'. It features date range filters ('De la: 27.03.2015 pana 27.04.2015'), sorting options ('Serie', 'Numar', 'Data', 'Total'), and an 'Optiuni' (Options) button. At the bottom is another 'Afiseaza 10 chitante pe pagina' dropdown.

In aceasta sectiune a interfetei de control puteti viziona si exporta comenziile inregistrate in functie de perioada dorita.

The screenshot shows the 'Sedona POS' software interface. The main menu bar includes 'Sedona POS', 'Nomenclatoare', 'Bonuri', 'Facturi', 'Chitante', 'Comenzi', 'ro', 'en', and a user icon. The current page is 'www.sedonapos.com/comenzi.php'. The main content area is titled 'Comenzi' and displays search filters: 'Afiseaza 10 comenzi pe pagina', date range 'De la: 27.03.2015 pana la: 27.04.2015', and search buttons. Below the filters are dropdown menus for 'Numar', 'Data', 'Total de plată', and 'Optiuni'. At the bottom, there is another 'Afiseaza 10 comenzi pe pagina' button.

Pentru a ajunge la aceasta sectiune faceti click pe butonul din dreapta sus unde se va afla numele firmei dvs. iar din lista derulanta selectati "Baza de date".

De aici aveti posibilitatea Salvarii bazei de date existente, a restaurarii bazei de date la un punct anterior si de resetare a bazei de date.

The screenshot shows the 'Sedona POS' software interface. The main menu bar includes 'Sedona POS', 'Nomenclatoare', 'Bonuri', 'Facturi', 'Chitante', 'Comenzi', 'ro', 'en', and a user icon. The current page is 'www.sedonapos.com/database.php'. The main content area is titled 'Baza de date' and contains three sections: 'Salvare baza de date' with a 'Salveaza' button, 'Restaurare baza de date' with a 'Fisier:' dropdown and a 'Restaureaza' button, and 'Resetare baza de date' with radio buttons for 'Documente si nomenclatoare' and 'Documente' and a 'Resetaza' button.
